ST. GILES-IN-THE FIELDS and ST. GEORGE, BLOOMSBURY.—To STONE MERCHANTS, GRAVEL-DIGGERS, and SCAVENGERS.—NOTICE IS HEREBY GIVEN, that the COMMITTEE for PAVING, CLEANSING, and LIGHTING these Parishes will meet in the Vestry-room of St. Giles-in-the-Fields, on THURSDAY, the 5th day of June next, at Two o'clock in the afternoon precisely, to receive PROPOSALS from such person or persons as may be willing to CONTRACT for all or any of the following MATERIALS, pursuant to orders to be given by the Committee, namely, for supplying the Committee with the best Guernsey Granite, Mount Sorrell, and other Granite, of certain widths and depths, as per ton, for each sort; also best Eland Edge, Yorkshire, and other Foot Paving, as per yard superficial; and also the best broken Guernsey or Mount Sorrell Granite, as per cubic yard. A full particular of the several widths and depths and thickness of the Granite and York to be supplied may be had by applying at the Clerk's Office, No. 21, Hart-street, Bloomsbury-square; or of Mr. WILSON, Surveyor to the Commissioners, at the Scone-yard, No. 128, Holborn. Also the best yellow Gravel for binding Gravel Thames Ballast, and sand, as per yard cube. The said several last-mentioned articles to be delivered in such quantities, at such times, and in such places, within the said parishes, or either of them, as the Committee may direct. Also to receive proposals and contract for Carriage for the Committee, within the parishes of old stone, gravel, slop, &c., as per load; the cart used for this purpose must be a measure not less than 60 cubic feet. Proposals for the above to be for the term of one year from Midsummer next. Also to receive proposals from such person or persons as may be willing to contract for one, two, or three years, from Midsummer next, for removing from time to time, as may be required by the Committee, all slop, stuff, mud, dust, filth, and soil as shall be swept together and be collected by the men employed by the Committee in or upon the carriage-ways and footways of the squares, streets, lanes, and other places in the parishes (Lincoln's-inn-fields and the squares and places built upon land belonging to the Foundling Hospital excepted), and to dispose of all such slop, stuff, &c. The cart to be used for this purpose must not measure less than 60 cubical feet; and for taking away the dust and ashes, &c., from the houses and buildings of the inhabitants of the several squares, streets, and other places respectively; and for the proposals for the last-mentioned works are, in addition, to contain three separate and distinct Tenders—namely, one Tender for the removal of the slop, stuff, &c., at per load; and another Tender for the removal of the slop, stuff, &c., at per ton; and another distinct Tender for the privilege of taking away the dust and ashes, &c. The secretaries of companies and persons sending Tenders are required to attend at the Vestry-room at the time of the meeting. No contractor or contractors not to let or sublet any of the contract work or works to be done, or any part or parts thereof respectively, without the special consent of the Committee. Security to the satisfaction of the Committee will be required for the punctual performance of the several contracts and the sureties, names of abode, &c. of the parties to be offered as sureties may be sent with the proposals, sealed, to be endorsed as the case may be. Drafts of the several contracts may be seen at the Clerk's Office. The Committee will not bind themselves to accept the lowest Tenders, and will destroy the cheques for each of the arrangements and bonds. Payments to be made quarterly. Printed particulars for the persons proposing for the supply of stones, gravel, and carriage, may be had of the Clerk or Surveyor, as above.

By order of the Committee,
May 14, 1851. ROBERT FINCH, Clerk to the Committee.
